

Comprehensive Planning Commission Meeting

December 6, 2012, 2:00 PM

Ridgeville Town Hall

Those in attendance were Andi Radke-Rynes, Susie Krueger, Ron Luethe and Inese Epstein.

The meeting was called to order. Susie Krueger made a motion to approve the minutes from the last meeting, Ron Luethe seconded, motion passed.

Chairman Krueger suggested that Inese be the new chairman and the Commission concurred.

The Commission discussed a letter that we thought should be sent to the WPSC requesting, again, more information on the high capacity power line that ATC would like to build. The letter is a reminder that they have not responded to a prior request. Ron Luethe made a motion to forward the letter to the Town Chairman for signature, Andi Radke-Rynes seconded, motion passed.

Andi Radke Rynes made a motion to adjourn, Susie Krueger seconded, motion passed.

Respectfully submitted,
Andi Radke-Rynes
