

Beginning January 1, 2015 the following weight/width/length limits for Implements of Husbandry Category A, B, and C and Agricultural Commercial Motor Vehicle will be in effect in Ridgeville Township:

**Categories A, B and C:**

**Width:** No width limitations, however additional lighting and marking requirements for vehicles 15 feet in width or that extend over the center of the road are effective November 1, 2015.

**Height:** No height limitations.

**Length:**

Single vehicle: 60 feet

2 vehicle combination: 100 feet

3 vehicle combination: No more than 100 feet with speed restriction of 25 mph or less OR 70 feet at a speed greater than 25 mph.

**Weight:** maximum single axle weight of 23,000 pounds and a gross vehicle weight of 92,000 pounds.

**Agricultural Commercial Motor Vehicle**

**Width:** Width limit is 10 feet including attachments or accessories. Exception: Pesticide Sprayers lime and fertilizer spreaders (not including manure) with extending tires, fenders or fender flares may not exceed 12 feet in width.

**Height:** 13 feet 6 inches

**Length:** Single length vehicle 45 feet.

2 vehicle combination: 70 feet.

3 vehicle combination: no more than 100 feet with speed restriction of 25 mph or less OR 70 feet at a speed greater than 25 mph.

**Weight:** maximum single axel weight of 23,000 pounds and a gross vehicle weight of 92,000 pounds.

A non fee permit is required if equipment exceeds these limits. The non fee permit is available at the Ridgeville Town Hall and the DOT website

<http://www.dot.wisconsin.gov/business/ag/index.htm> .

The WI State Patrol will not enforce the new limits until January 15, 2015.
