Special Board Meeting
July 12, 2018
Joliet Avenue Review**

Those in Attendance: Chairman, Keith Giraud; Supervisor, Ron Luethe; Supervisor, Jerry Haney; Road Maintenance Patrolman, Darren Martin, and Resident, Wayne Edgerton.

The board met at 7:30 A.M. on Joliet Avenue.

We reviewed the drainage problem on Joliet Avenue that leads into the Edgerton Property. The plan is to cut a 4 to 6 inch ditch on the right hand side of the road (going towards the buildings) approximately 250 feet. The ditch will empty into the existing ditch just up from the garage. Beyond the ditch the road will slope to the left hand side of the road to empty out below the house and outbuildings. Gravel will be placed on the left hand side of the road sloping towards the new ditch. It will take approximately two quad axle loads of gravel. The road will then be chip sealed in the first part of August.

Minutes for the meeting were taken by Supervisor Luethe.
