

Ridgeville Comprehensive Planning Commission

November 7, 2018

Ridgeville Town Hall

Members present: Chairperson Epstein, James Neumann, Rob Larson

The meeting was called to order at 10:05 AM by Chairperson Epstein.

The Commission reviewed the survey results and comments. It appears that road repair and maintenance are a concern to many of the residents. Discussion followed and a decision was made that a better understanding of funding sources/limitations and conservation practices to deter runoff would benefit the residents and allow them to offer solutions. Rob Larson made a motion to hold a public meeting to share information on road repair, funding constraints, and related concerns. James Neumann second, motion carried.

James Neumann made a motion to adjourn, Rob Larson second, motion carried. The meeting was adjourned at 11:15 AM.

Respectfully submitted,

Inese Epstein
